

"Tea" Easy Applique Sampler (fusible and machine applique) Full Day Workshop with Mimi Dietrich

Description

Relax with a pot of tea and learn fast, fun, and easy fusible applique techniques. Mimi will show you how to fuse appliques so that the fabric remains soft, and how to use a "window" for perfect placement of layered applique pieces. You can choose to embellish the appliques with hand-stitched or decorative machine stitches.

Materials List

Book

- Easy Applique Samplers (out of print, available in class, not required for class)

Fabric

- Project finished size: 16 1/2" x 19 1/2"
- Fat quarter of floral or "tea cup" print fabric for borders
- Fat quarter of light blue print fabric for center applique background
- Fat quarter of yellow print for tea pot applique
- Fat quarter of red fabric for inner borders and appliqued heart
- Fat quarter of yellow print fabric for binding and letters
- 1/4 yard fusible web (Steam-a-Seam-2 recommended)
- Red and yellow thread for accent stitching (embroidery floss for hand stitching)
- After class you will also need:
 - 5/8 yard of print fabric for backing and sleeve
 - 21 x 24 piece of lightweight batting

Class Supplies

- Rotary cutter and mat
- Ruler (6" x 12" recommended)
- Iron and ironing surface
- Fat quarter of muslin to use as pressing cloth
- Paper scissors
- Small sharp scissors that cut to the point
- Sharp pencil
- Fabric marker that will show on background fabric (silver pencil recommended)
- Tape (Scotch Removable Magic Tape recommended)
- Little bag for trash
- For Machine Stitching:
 - Sewing machine and extension cord
 - Full bobbin of thread for your machine
- For Hand Stitching:
 - Embroidery needles (size 8)
 - Thimble

Before Class

- Wash and iron all fabrics.
- Cut 9 1/2" x 12 1/2" rectangle from center background fabric. Please cut, do not tear.
